- A **Black Tie** Corporate Catering event incorporates professional presentation and service. Our team will handle your refreshments and meals so your staff is not burdened with additional duties that would take them away from their responsibilities.
- A **Black Tie** gourmet dining event is the epitome of deluxe service. Your guests will be seated at a beautifully set table and treated to several courses prepared tableside.
- A **Black Tie** catered wedding, family reunion, or other special celebration is always handled by food and beverage professionals and our presentation is something your special guests will always remember.
- A **Black Tie** tea party is the ultimate feminine delight. Our full afternoon teas are served using delicate antique china, silver, and linens. We also provide the beautiful hats; choose the one that matches your outfit or your mood.

Black Tie Catering provides office “Social Hour” celebrations or any other special events you and your company may host. **Black Tie** offers elegant or casual dining in your office or in your home.
